TRIBAL COUNCIL MEMORANDUM

TO: *The Paiute Indian Tribe of Utah Tribal Members and Staff*

FROM: *The Paiute Indian Tribe of Utah Tribal Council*

RE: *Low-Income Home Energy Assistance Program (LIHEAP)*

On May 22, 2019, the Tribal Council motioned and approved by majority vote and give directive to transfer the Low-Income Home Energy Assistance Program (LIHEAP) to the Family Services Department. This change is part of an overall shift in services, which is more in-line with the functions and services of our Family Services Department. This will allow our Family Services team to assess eligibility for a wide range of services each individual could be eligible for at one time and without the need to complete multiple intakes.

During the transition period, the primary point of contact for LIHEAP will be Tracie Lund, Family Services Manager (435-586-1112 ext. 301). Once all our staff have been trained on this program, members will be able to apply through any one of our Family Services staff.

Please understand that during this transition period there may be a slight delay in processing applications.

We appreciate your patience and understanding.
