The Paiute Indian Tribe of Utah Tribal Council has currently closed the use of the facility to any outside entity, groups, or tribal members for the foreseeable future. At this time, we are following the recommended guidelines from the Center for Disease Control and will not allow any group to convene inside the tribal headquarters; including, but not limited to the conference rooms and gymnasium. The Children's Play Park is currently closed. This is just a temporary closure for the time being and once the facilities open, we will inform tribal members.
